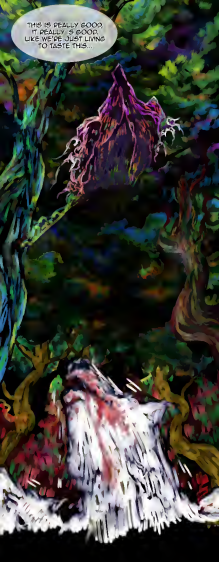
SON, YOU MUST EAT NOW AND NOT BE PICKY WITH WHAT YOU EAT.
YES, MOM.
In many centuries... can I save a life?
Gulp..
ROAR..
I want to see...
I was like my Grandfather's size...
My son... now is eaten by a giant wolf!
WHAT'S THERE TO THINK ABOUT? WE'RE HUNGRY, SO LET'S EAT!



THIS IS REALLY GOOD!
IT REALLY IS GOOD!
LIKE WE'VE JUST LIVING TO TASTE THIS...

SPACE

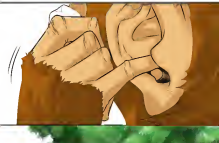
-CHAPTER 6-

TOXICS COME TOGETHER AND MAKE A TOXICANT GIANT
FORESTS NEED A BOUNDS THE STRONG EAT THE WEAK...

FOR EXAMPLE, WEAK ANIMALS LIKE RABBITS OR CHICKENS GET EATEN BY BIG ANIMALS WITH TEETH.

How unfortunate.

BUT... I CAN'T FIGURE OUT WHEN OR WHERE THIS ALL STARTED...

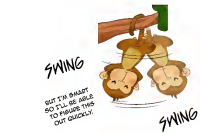


WHERE DID I COME FROM AND WHEN DID I START TO EXIST HERE?

I THINK I'M CLOSE TO COMPLETING THE PUZZLE BUT THEN I GET STUCK AND I'M BACK AT THE BEGINNING.

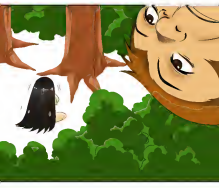
THIS IS NOT

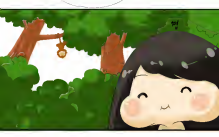
Ah~ I don't mind.



SWING
But I'm smart so I'll be able to figure this out quickly!
SWING

And that girl...





What is she and why does she eat so much?

I'VE BEEN HERE A COUPLE OF TIMES BEFORE BUT THERE ARE A FEW THINGS I CAN'T UNDERSTAND.

She's a target for research.

ASIDE FROM ME, SHE'S THE ONLY ONE THAT WALKS WITH TWO LEGS ALTHOUGH SHE HAS FOUR LIMBS.

Is she adapted for swimming?

SHE MOVES FREELY IN BOTH WATER AND THE FOREST.

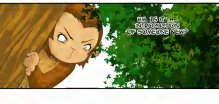
She's afraid of cute cats.

WHY CAN'T SHE TAKE HER EYES OFF THAT FLOWER?

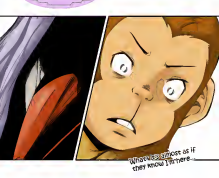
I'M SURE I TOLD YOU NOT TO COME HERE

PA.. PAA
PAA PAYAAA..
(JUST A LITTLE.. I'LL LOOK AT IT AND JUST A LITTLE BIT..)

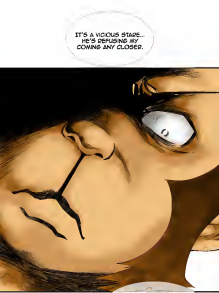
GO BACK. THIS IS NOT SOMEWHERE YOU SHOULD BE.
PA- PYA PAA-
NO.



OH, SO YOU'RE RESPONSIBLE FOR SUMMONING THIS?



A FOOLISH BRAT FOLLOWED YOU.
WHAT'S HAPPENING? AS IF THEY KNOW I'M HERE...



STARING WITH THE INTENSITY TO EAT ME...

HOW DARE HE...
